PAS: Glorious Revolution!

[Prologue]

"Leave me alone and we'll have no problems."

- Eren Kodah

{Takuya}

"I'll be going." Takuya stated, strapping his backpack before waving at the maids. He was on his way to the local ice cream shop to get a chocolate milkshake before he had his daily phone conversation with his brother; Sora. He quickly made his way out of the mansion and walked towards his destination, wearing simple blue jeans and a white sleeveless hoodie with white and blue sneakers. He stopped when he noticed a Growlithe, wagging it's tail in front of the shop. _"Cute..."_ he instantly thought, kneeling down before the Growlithe to ruffle it's fur.

"Grow!" the Growlithe barked as Takuya blushed, softly, taking the small Growlithe in his arms, hugging it close.

"Cute...Are you waiting for your owner?" he asked, blinking when the Growlithe whimpered. He instantly took that as a sign. A sign that this cute little Pokemon was meant to be his companion. He was old enough to have one, his parents were gone most of the time, and his brother was away at Kundai attending a private school. He needed a companion. "Would you like to come home with me?" he asked as the

Growlithe licked his face.

"Growlithe! Grow!"

"Alright, alright! Well then, i'll show you there, but first," he started, placing the Growlithe on his head before promptly opening the door to the ice cream shop, "A chocolate milkshake to start the day." he stated, seriously while making his way inside.

{Sora}

"That is how my day went." Takuya's voice said over the cell phone as Sora hummed, tapping his leg on the floor patiently. He was in his dorm room talking to his brother on the phone as he always did.

"I still think you should have come with me, you would have liked it here." Sora said, frowning softly, looking behind him at a certain figure. Takuya's voice brought him back to the conversation.

"I would rather be home than over there."

"Takuya, Takuya, Takuya..."

"Sora."

"Stop acting like a peasant and live for once." Sora urged as the other end went silent for a minute. The figure in the corner seemed to make a strangled growl as if it was mocking Sora.

"I'm glad i'm here...at least I met more suitable company." his voice said, coldly as Sora hummed, frowning.

"Takuya...remember what I had told you." Sora reprimanded as he heard a faint sigh on the other end.

"Right. I am not allowed to date until I am 35 and he or she must be approved by you." he said as Sora smiled with complete confidence.

"Good boy. Now, I must go. I have homework."

"Alright."

"Goodbye, Takuya, I love you~"

_"Same, goodbye." _was the last thing he heard until he ended the call. Sora sighed and turned to glare at the Gabite behind him.

"Now then, what to do with you?"

"Gabite..."

**{Eren}**

"EREN~" an annoying voice sang as a young teenage male immediately facepalmed at the noise while snapping his pencil in two. His father had stormed into his bedroom, carrying an equally annoyed male with white hair. "Look who I found~" he sang as he set the white-headed male down.

"Dammit, uncle Ryo...it's too hot in here." Toshiro complained, taking off his scarf with a sigh as Eren narrowed his eyes at the two.

"Why is the midget here?" he questioned, giving Toshiro an annoyed look only to be met with an equally annoyed look.

"Your one to talk." he seethed as Ryoma merely smiled at the two, not noticing the deathly aura surrounding them. Ryoma then clasped both their hands together, hoping that they will find love and friendship.

"Now, Toshi~"

"Don't call me that."

"Remember what your mother said." Ryoma reminded as Toshiro sighed, looking away with a pout. His mother; Hina had instructed him to protect Eren for as long as he can. Toshiro still resented his mother for leaving, but he mostly blames himself for not being able to turn into a Pokemon to join her, either way, he would most likely still have to watch over Eren.

"Yes." he nodded, giving Eren a small look, frowning softly. "Eren, lets act civilized together." he offered, nodding his head as Eren stared at him before looking down at their hands. Eren sighed and pushed him away, grabbing his broken pencil with a frown.

"Leave me alone and we'll have no problems." he stated, returning to his homework as Ryoma sighed, pouting softly.

"I have such a mean son..."

"Your annoying, dad. Get out."

"MEAN!"

**{Daiki}**

"Tch...stupid dad...making me leave Pintos for this dump...", Daiki muttered, moving a hand through his short and damp navy blue hair. He had just moved back from Pintos after taking some military training, but was ordered back home by his father to stay close and attend school in Levarin. Right now he was currently at a beach since it was a hot day, he decided to swim for a bit.

"Buizel!" a sudden voice shouted as Daiki looked back, confused only to grin at a small Buizel a few feet away from him in the water. He moved an arm up and waved at the Pokemon, grinning.

"Yo!" he greeted, smiling as the Buizel blinked, slightly scared as it quickly moved back in the water. Daiki chuckled, he didn't know Pokemon could be so shy. He then remembered how his dad's partner was a Floatzel and how they were almost unbeatable together. "Buizel!" he called as the Pokemon looked up from the water, shyly.

"Bui?" he questioned as Daiki smiled, offering the Pokemon his hand, smiling gently when it backs away, slowly.

"I won't hurt you...come on, I wanna see if you would be my partner?" he asked as the Buizel tilted it's head, confused. "I want to show my pops that i'll be a better man and trainer then he ever could be! I think with you as my partner...we can make it happen!" he exclaimed as the Buizel frowned, sinking it's head down in the water a little.

"Bui..."

"Please! One day...I wanna say that no one could beat me, that the only one who can beat me, is me, but I need to get stronger before that could happen!" he pleaded as the Buizel looked to be contemplating, sighing the Buizel nodded, shyly as Daiki quickly grabbed onto it, ruffling it's fur gently. "AWESOME!" he shouted, grinning.

0x0

"I hate paperwork..." Daisuke muttered, sighing softly while resting the pen on the desk. It was quiet for a few minutes before the front door slammed open with his son and a Buizel rushing past his office.

"Hey dad! I'm back, this is my partner, Buizel!" he introduced before making his way upstairs along with the Pokemon. Daisuke was quiet, wide-eyed. His son was rather...eccentric. He then looked to the floor, lazily, gawking slightly when he noticed small puddles of water and dirt on the floor.

"DAIKI!"

**{Gale}**

"Whoa! You got the highest score again!" someone complained as Gale hummed, smiling at the test score with his arms crossed. "I'm sure no one can beat your score." he added as Gale shook his head.

"Well, my brother might be coming to this school, and he will be a formidable foe." Gale admitted, walking outside towards the garden with a group of other males. "He is not one to fret over perfection though, so I think my title as the smartest and most handsomest man here will stay put." he added, smiling as one of the guys grunted.

"You sure are full of yourself, Gale."

"Hmm?"

"N-nothing!" the guy stammered, rushing away with the others as Gale stared at them, sighing softly while sitting on a bench. He looked up at the sky and frowned. He honestly was feeling bored. He hoped his brother would come to this school as it is in Feldria to give him a challenge. He was above average in education and in sports and clubs alike.

"Absssoolll." a voice growled as Gale looked up from his thoughts, resting on a beautiful looking Absol, staring right at him. Gale blinked and rose his brows, offering a hand to which the Absol took a step towards him, nuzzling the hand.

"Hmm...", Gale hummed, gently petting it's head as he looked to the left of him. A poster with his father's face and some Pokemon in the background. Pokemon Tournament it had said. "I never tried that before...", he muttered, eyes glazing over in thought. He had done all but Pokemon battling, and he was wondering...could he do it?

"Sol..." the Absol purred as Gale smiled, giving it a small smile.

"I think...i'll give it a shot."

{Charlie}

"Have you figured out where to go?" Brooke asked, looking over her sons' shoulders as Charlie frowned, sighing softly. He was deciding between all the high schools to go to. He wouldn't mind staying in Feldria and stay with his brother, but he didn't want to be known as 'Gale's little brother', but he loved his brother and he would be able to see his mother. While if he went to Kylos he would be with his cousin; Takuya and his cool Uncle Tetsuya would take care of him.

"No, i'm still thinking." he admitted, smiling weakly. He let out a weak sigh as he looked out the window, blinking in shock when he noticed a Noibat, staring at him. The bat like dragon pecked the window as Brooke smiled, opening it, letting the Pokemon in.

"Cute...", she said, smiling at the small bat-like Pokemon as the Noibat landed on Charlie's shoulder, nestling it's face in Charlie's honey brown hair as he blinked his violet eyes. He smiled and patted the Pokemon's head.

"Awww, your rather cute." he admitted, scratching behind the Noibat's ears as it smiled, giving a soft growl like purr.

"Ah, it seems my little brother has found himself a companion as well." a voice said as the three turned to see Gale with an Absol, smiling at them. Charlie smiled and stood up to greet his brother.

"Gale, how was school?" he asked as he blinked at the Absol, smiling softly. "Cool, an Absol!" he exclaimed as the Absol smiled, standing up proudly as Gale nodded, looking at the Noibat with a soft smile.

"Yes, and your Noibat is rather cute...mother, may we keep these Pokemon?" he asked as Brooke smiled, nodding softly.

"I think it's a good idea! Your father would be ecstatic that you both have Pokemon companions!" she added as the two nodded, smiling softly. Keith was out on a business trip in Pintos and once more, was not home, so either way they would have kept the Pokemon anyways.

"Hey, Gale, wanna have a Pokemon battle?" he asked as Gale flicked his forehead, smiling softly. "Ow..." he muttered, holding his head as Gale moved towards his room, chuckling to himself.

"Maybe later, I have to study."

"Of course..."

**{Nate}**

"Look, it's him." someone whispered as a male with messily spiked brown hair and gray colored eyes walked along the sidewalk, clutching his bag tightly. He was taking a walk to the nearby high school to check it out as he was thinking of attending there, but he was also thinking of going abroad, away from his 'famous' parents; Hiroto and Valerie Sacha. He was always looked at as their son and not as 'Nate'.

"Excuse me." someone had said as Nate blinked, looking down to see a male around his age with platinum blonde messy hair and blue eyes...he also had a Growlithe on his head. Nate, not sure what to do had merely stepped to the side as the male nodded in thanks, walking past him. That was weird. Nate sighed, making his way back to the condo unit only to run into a Togetic.

"Toge!" the Pokemon exclaimed, smiling as Nate blinked, bewildered. There was a rare Pokemon in front of him. He looked around and everyone was staring at him, hoping he would break out into song or whatever. Nate scoffed, moving past the Togetic and towards his so called home. The Togetic had followed, smiling brightly as Nate rose a brow. This thing was persistent.

"What?" he asked, glaring at the small Pokemon in front of him as it merely smiled, rushing over to him, nuzzling it's head in the crook of his neck as Nate grunted, frowning with a small blush. He didn't know why...but he felt as if he had to befriend this particular Pokemon.

"Toge!"

"Tch...fine." he muttered, smiling softly as the Togetic rested itself on his shoulder, smiling brightly. Nate blinked, smiling once more before putting on his usual poker face, making his way home.

{Luna and Coral}

"Daddy! You did it again! You beat the challenger!" a girl with ginger-ish light brown hair and blue eyes had exclaimed, smiling. She along with her father, sister, and mother were currently at the dinner table eating together, like always.

"Yes, for the fifth time...now eat your food, Luna." Yuri advised poking a piece of her vegetables with his fork, "Before I eat it." he added as the girl known as Luna pouted softly, quickly taking her fork and taking a bite, smiling softly.

"Mom, you make great food!" she exclaimed, smiling as Karin nodded, smiling.

"Thank you, now, what about you, Coral?" she asked, looking at the other girl with light brown hair and brown eyes. She shook her head, taking a drink of her orange juice since her plate was now empty.

Â¨I-ItÂ´s good." she said, smiling weakly as Karin smiled, proudly.

Â¨ThatÂ´s the fastest I have ever seen you eat! ThatÂ´s amazing!" she exclaimed as Yuri nodded, looking at her plate softly, blinking at how LunaÂ´s plate was suddenly empty as well.

Â¨What made you two so hungry all of a sudden?Â¨ he asked, raising a confused brow only for it to be interrupted by a sudden Â´YelpÂ´ as the table fell silent. Coral and Luna looked nervous while Karin was looking everywhere but him. Suddenly Yuri felt irritated. They were doing it again. They were plotting behind his back since heÂ´s the only male in the house. Â¨Are you hiding something from me?Â¨ he asked, his brow twitching in slight irritation as the three girls shuffled, whispering to themselves before Luna cleared her throat.

Â¨IÂ´m on my period!" she suddenly exclaimed as Yuri dropped his fork on his plate and stood up, leaving the kitchen while grumbling to himself on how he does not need to know that information. The girls waited until he was surely in his room before sighing. Karin picked up a small cage from under the table, setting it on the table to see an overly full Houndour and Oshawott.

Â¨Why do we need to hide these two from daddy again?Â¨ Coral asked, looking at the growling Houndour, confused as Luna hugged the Oshawott close to her, smiling happily.

Â¨Daddy is a Battle Tower leader, why do we need to hide them?Â¨ she asked as Karin blinked before smiling happily.

Â¨We donÂ´t need to hide them, but I love seeing his annoyed expression! HeÂ´s so cute when heÂ´s angry!Â¨ she exclaimed as the two girls and the Pokemon sweatdropped. Their mother could be mean when she wants to.

{Nozomi}

Â¨Hikari and the Growlithe seem to be hitting it off.Â¨ Takuya commented, sitting on a log in the forest with a girl that had silver hair down to her shoulder blades and heterochromia eyes of green and red. The two were in the forest watching the two Pokemon run around each other, happily. Takuya was drinking a chocolate milk while Nozomi was drinking a strawberry milk.

Â¨Yes...iÂ´m surprised your barely getting a partner now, I mean...you love Pokemon.Â¨ Nozomi commented as Takuya sighed, shrugging softly with a small frown on his face.

Â¨I suppose I wanted to wait until after school so Sora and I could travel together, but this little girl was too cute.Â¨ Takuya admitted, smiling when both the Eevee and Growlithe jump on him, licking his face. Nozomi sighed and pushed her glasses up despite having perfect vision, she insists on wearing them.

Â¨Maybe we could have a battle one of these days.Â¨ she said as Takuya nodded, holding the Growlithe and Eevee before moving his hand to take her glasses off, putting them on himself before pointing at himself.

Â¨I think I look better with them on.Â¨ he admitted, blinking when she snatches them back. He stared at her before looking away, taking a drink of his chocolate milk with a frown. Â¨That was mean.Â¨ he mumbled as she sighed, flicking his head softly.

Â¨Your a big baby.Â¨

Â¨You sure to come to conclusions quickly...like when you honestly thought that my father was seducing your mother.Â¨ Takuya deadpanned as Nozomi blushed, looking away softly.

Â¨I didnÂ´t know he was reading a book!Â¨

Â¨Or the time when you thought that my parents and your mom had some intima-Â¨

Â¨-It looked like they did do something!Â¨

Â¨Maybe the time you thought that Sora and I were going to do something intimate.Â¨ Takuya deadpanned as Nozomi frowned, taking Hikari from TakuyaÂ´s arms with a small huff.

Â¨You two were awfully close...Â¨

Â¨We were wrestling.Â¨

Â¨You were both sweaty and only had towels on!Â¨

Â¨It was water and that was because we had just finished swimming...we even had our swim trunks underneath.Â¨ Takuya sighed, setting his now empty glass on the ground. Â¨Remember, we are siblings...stop watching dirty anime.Â¨ he added, earning a small flick to the forehead.

Â¨IÂ´m going home.Â¨ she stated, making her way out of the forest. She could only take so much of Takuya.

**{Diamond and Ruby}**

Â¨Hey, look what I found.Â¨ a male with messy black hair and red eyes said, holding up a small Riolu, grinning softly at his sisterÂ´s expression. Â¨This Riolu suddenly started following me! HeÂ´s pretty cute huh?Â¨ he asked as Diamond sighed, showing him a Riolu as well.

Â¨Same...I was hoping to show you first and rub it in.Â¨ she grumbled as Ruby shrugged, smiling softly, blinking when he noticed the two RioluÂ´s were staring at each other. Â¨Hey...we should totally battle!Â¨ he shouted as Diamond shook her head, looking around the neighborhood.

Â¨First we need to get some school supplies...and find any criminal who needs to be put to justice.Â¨ Diamond stated as Ruby sighed, walking away from her with a bored expression.

Â¨This is boring...iÂ´m going to look for something fun to do.Â¨

Â¨H-hey! Wait up! DonÂ´t do anything stupid!Â¨ she exclaimed as Ruby

stopped, giving her a small and cheerful smile.

Â¨Who? Me?Â¨

Â¨Bye~Â¨

Â¨RUBY!Â¨

{Ryuu}

Â¨Hey! Eren!Â¨ a male with short brown hair in a bowl style and brown eyes exclaimed, smiling as Eren opened his eyes, irritably while sighing. It was so hard for him to take a nap now and days.

Â¨What?Â¨ he asked, sitting up from his position so he was now leaning against the tree. Ryuu smiled and held out a female Pikachu. The Pikachu smiled and stared at him while Eren looked ready to murder him.

Â¨IsnÂ´t she cute?Â¨

Â¨Yes, now go away.Â¨ Eren urged only for the Pikachu to jump on his head, nuzzling his cheek gently.

Â¨Aww...look! She likes you!Â¨

Â¨Get this damn rodent off of me!Â¨

Â¨Pika..CHUU!Â¨ the Pikachu growled, electrocuting Eren for the snarky comment as Ryuu merely kept his smile.

Â¨You shouldnÂ´t have said that.Â¨

Â¨...Â¨

**{Rythmi}**

Â¨Rythmi.Â¨ a voice said as a girl with wavy light blue hair and slightly round green eyes. On her shoulder was a Minccino, looking over a script for a movie her mother would be starring in. Speaking of mother, that was the woman who was talking to her right now.

Â¨Mother.Â¨ she acknowledged, smiling softly at her beautiful and talented mother. Melody smiled and sat beside her on the seat of the bus. Even when middle-aged she still looked good.

Â¨Rythmi, you know youÂ´ve been on independent studies for a while now?Â¨

Â¨Of course.Â¨ she said, smiling softly as she held her Pokemon close. Melody smiled and hummed to herself.

Â¨I was thinking, if you want, that you could go to a school...meet friends and people.Â¨ she offered as Rythmi blushed, frowning at the thought. She has always been with her mother. Leaving would be...strange. Â¨You donÂ´t have to, but I think it would be good for you.Â¨ she said, smiling softly as she

nodded.

Â¨Okay.Â¨

{Kali}

Â¨Kali, you are doing good in school, keep it up.Â¨ Lucifer complimented as the girl with pale skin, platinum blonde hair that parts down the middle and has it styled as pigtails with each tail being different colors; purple and crimson. She has large wide eyes and has heterochromia; her left eye is ice blue and the other eye is venom green. She had a wide grin on her face as she giggled.

Â¨I love school! Especially in cheer practice when Tiana had landed wrong! She even broke her ankle and had lost a tooth!Â¨ she laughed along with the Sabeleye beside her. The people working under Lucifer stared in shock.

Â¨They are both crazy!Â¨ they thought, instantly freezing up when Lucifer narrowed his eyes at them.

Â¨What are you looking at?Â¨ he snarled as the men yelped and ran away, screaming nonsense all while Kali laughed, pointing at them. She grinned and snapped fingers.

Â¨This is going to be so fun!Â¨ she exclaimed, skipping away, happily.
